

Do you have an idea for improving the safety and health of your worksite?

If you are a CSEA leader or New York State manager, consider the:

Safety and Health Grants Program

The **Safety and Health Grants Program** offers an opportunity for state managers and CSEA leaders who face unique safety and health needs to apply for grants of up to \$50,000.

Grants can be used by statewide or facility-level safety and health labor-management committees to achieve the mutual goals of:

- Improving workplace safety and health programs
- Preventing employee work-related injuries and illnesses
- Reducing lost work time and workers' compensation costs
- Enhancing organizational safety and health knowledge
- Increasing the effectiveness of their safety and health committees
