

Statewide Targeted Tuition Program for Information Technology

Your Success is Our Success.

The Statewide Targeted Tuition Program for Information Technology provides additional tuition assistance to CSEA-represented NYS employees. Eligible employees can receive up to two extra tuition benefits, per fiscal year, if they are enrolled in any of the following programs:

- Computer Science
- Computer Information Systems
- Information Technology
- Telecommunication
- Management Information Systems

For more information about the Tuition Benefits Program or the Statewide Targeted Tuition Program for Information Technology:
