If using a computer, be sure to save the file to your computer or network drive before completing it. Once you add digital signature(s) and save the file, you cannot make any further edits to the document. To that end, we recommend saving an unsigned version of the PDF to your files. View the [QWL Grant Tips](#) for file handling and price quote attachment guidance.

Go to our [QWL Grant Resources webpage](#) to view the QWL webinar, application examples, and frequently asked questions to help guide you in the application process. Reach out to your Regional Field Associate for additional support.

2. Complete Part A – Part C.

Part A – Applicant Information: Identify a project coordinator. Include signatures from both the labor and management representative.

4. Submit the completed application with attachments to the Partnership Field Associate assigned to your CSEA region.

Provide all relevant supplemental information. For example – award proofs, consultant resumes, vendor price quotes, removal fees, and single source justification.

5. Wait for written approval; otherwise, purchases will not be reimbursable.

Once formal written approval is received, follow the instructions on the approval letter.
