

# Getting Started with *What Can I Do With This Major?*

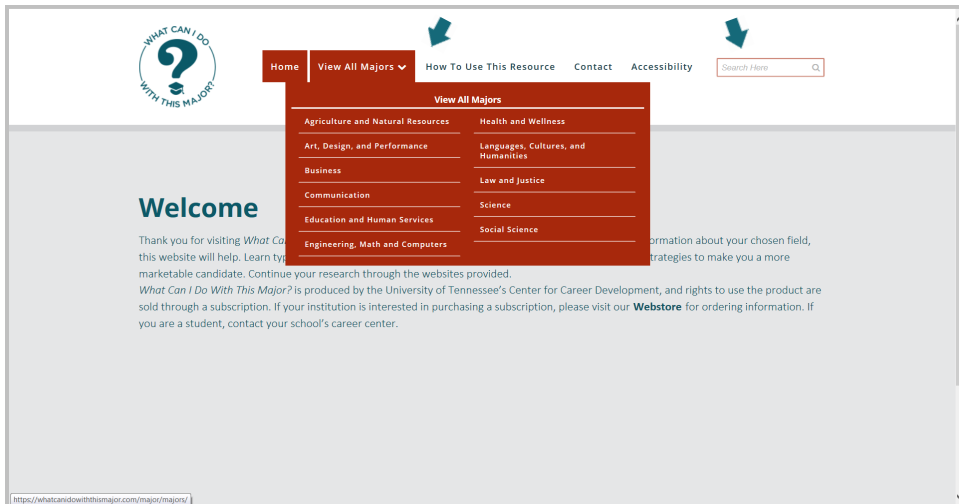

## Step 1

Click the **View All Majors** link at the top of the page.

## Step 2

Select the Major or subject area from the drop down that you would like to learn more about. Or use the Search feature to search by topic area.

Next Steps

# Getting Started with *What Can I Do With This Major?*

## Step 3

Select a topic and then *click on a subject area* for more information.

The screenshot shows the website's navigation bar with the logo, 'Home', 'View All Majors', 'How To Use This Resource', 'Contact', 'Accessibility', and a search box. Below the navigation is the 'Health and Wellness' section, which contains ten subject area boxes: Athletics and Sport, Audiology / Speech Pathology, Biochemistry, Chemistry, Counseling, Healthcare Sciences, Kinesiology, Medicine, Neuroscience, and Nursing.

## Step 4

**View the results.** The results include:

- Career areas
- Employers that hire people with each major
- Strategies for becoming a strong job candidate
- Related professional association

The screenshot shows the 'Nursing' page with a 'Print Version' link. It is organized into sections: 'Area' (Staff Nursing), 'Employers', 'Strategies', 'Specific health conditions', and 'Well-defined populations'. Each section contains a list of relevant information.

**Nursing**  
[Print Version](#)

**Area**  
*Staff Nursing*

- Specialties by work setting or type of treatment:
  - Perioperative (operating rooms)
- Specific health conditions:
  - Oncology
- Well-defined populations:
  - Neonatology

**Employers**

- Hospitals
- Clinics and medical centers
- Physicians' offices and medical groups
- Outpatient surgery centers
- Ambulatory care centers
- Home health agencies
- Nursing care facilities
- Rehabilitation centers
- Hospices
- Dialysis centers
- Diabetes care clinics
- Birth centers
- Psychiatric hospitals and mental health agencies
- Health maintenance organizations
- Large corporations
- Educational institutions
- Summer camps
- Correctional facilities
- U.S. Department of Veterans Affairs
- Integrated health clinics

**Strategies**

- Work or volunteer in healthcare and medical settings during summers and breaks.
- Shadow nurses in different settings to learn which ones hold the most appeal.
- Gain experience through externship or internship programs.
- Take electives in areas such as wellness, holistic health, medical ethics, and death and dying.
- Get involved in student organizations and seek leadership roles.
- Learn to be organized and to manage stress well.
- Develop patience, the ability to work with both patients and families for long periods, and good listening skills. Learn to work effectively with people from different cultures, races, and socioeconomic backgrounds.
