

Explore How to Run an Effective Safety and Health Committee

Brand-New Class!

Running an Effective Safety and Health Committee

This class helps new and established Safety and Health Committees (SHC) meet their full potential.

By the end of the class, you will be able to:

- Define the characteristics and goals of a successful Safety and Health Committee.
- Discuss NYS and Federal safety and health directives and support.
- Describe the benefits of building strong relationships and cooperation.
- Identify steps to create an effective committee structure.

Management Representatives and CSEA Local Presidents - Request a Worksite Training Class Today!

To request our *Running an Effective Safety and Health Committee* training for your agency or facility, submit a jointly signed [Worksite Training Application](#) to the Partnership.

View the [Partnership Classes At-A-Glance](#) for additional classes available for worksite training requests.

Scan the QR code to visit our website for more information on worksite training requests.
