

Save More on Tuition

Looking for ways to advance your career in state service? We can help!

Now is the perfect time to start training for a promising career in NYS. There is a high demand for skilled professionals in the four career fields below. Additionally, there are other agency-sponsored programs you may be able to explore.

Enroll in one of these eligible, high-demand training programs, and you may receive up to \$2,500 in additional tuition benefits - on top of your standard benefits - for a total of up to \$7,500 per program year. This is a great opportunity to enhance your skills while saving money.

Don't miss out—contact us today to check your eligibility!

Maximize Your Potential:

Statewide Targeted Tuition Benefits

If you're a CSEA-represented NYS employee **enrolled in an approved career training program**, you can save more on your education costs.

The application period is open from April 1 to March 31 each year. You must be receiving a NYS paycheck at the time you apply and belong to one of the following bargaining units:

- Administrative Services Unit/02
- Occupational Services Unit/03
- Institutional Services Unit/04
- Division of Military and Naval Affairs/47

Get Targeted Tuition Benefits up to \$2,500 Each Year

Use your benefits to pay for course tuition at a pre-approved career training program. There are two types of benefits: vouchers or reimbursements.

Vouchers

Choose vouchers to pay tuition upfront at one of our participating schools only.

Reimbursements

Choose reimbursements to reclaim pre-paid tuition at an approved school, upon course completion.

Remaining balances will not carry over to the next program year. Any tuition costs above the maximum provided will be your responsibility. All other expenses are also your responsibility, such as fees, books, and materials.

Combine Your Standard and Targeted Benefits

We believe in giving you every opportunity to excel in your educational pursuits. Our tuition benefits program allows you to combine benefits for even greater savings.

You may combine your standard benefits (\$5,000) and targeted benefits (\$2,500) up to a maximum of \$7,500.

You also have access to an **unlimited** number of eligible certification/licensure exams and credit-by-exams.

! Tax Considerations

If employer-sponsored benefits from the Partnership alone, or in combination with educational/tuition assistance from other NYS employer-sponsored benefits add up to more than \$5,250, you will have taxes taken out of your State paycheck(s) in December. For details, it's best to talk to your accountant or tax advisor. They can give you personalized advice based on your situation.

Invest In Your Future

Don't let tuition costs hold you back! Maximize your benefits and achieve your goals – contact a Partnership advisor today!
